Descrizione

A tour of the alpine summer pastures!

The route kicks off at Tione, following a fantastic stretch of rough, tree-shaded track from Zuclo-Bondo, passing by the famous sanctuary of Madonna del Lares, then climbing up through the wild Val di Breguzzo, rich in flora and fauna. It's a long, enjoyable ascent to the four alpine summer pastures along the route, which are still used for grazing and are ideal spots for taking a break and tasting some traditional mountain cheese. The route then descends, alternating woodland and open country stretches, touching Val Rendena before finally reaching Tione.
