Descrizione

Farms and mountains!

The route starts from the valley floor, following the left bank of the river Noce before climbing up the slope, looking down over the valley with superb views of the Dolomites (the Peller massif) and Val Meledrio (an enchanting valley crossed by the Dolomiti di Brenta Bike trail). The farms of Mont di Bolentina testify to man's age-old presence on these precipitous yet thrilling slopes, stirring a certain nostalgia for bygone ages, just reward for a gruelling and as yet little-known uphill.
