Descrizione

Following the trail of the bear!

The famous red lake, in the heart of the Brenta Dolomites, is your destination on this route. Leaving from Tuenno, you follow the downhill road through the mountains, heading into Val di Tovel. After the entrance to the Adamello Brenta Park, the route turns uphill, with woodland sections and the striking lunar landscape of the "Glare", up to the shores of the little alpine lake with its natural basin and crystal waters reflecting the Dolomite peaks. This impressive natural environment is also the habitat of the solitary brown bear.
